IN MEMORY OF DR. LONNIE MOORE

Lonnie joined DBA in May, 2005 as part of a group of new members from PROD. Lonnie was a faithful attendee and participant. He was a past president and served on the Board in all capacities. After he became ill he was only able to attend a few meetings, but true to his character, he nevertheless always sent in his monthly dues. (Jean found checks written to DBA for his last several months' dues in his desk drawer.)

After graduating from Vet school at OSU in 1972, Lonnie borrowed \$250, packed his car, and moved to Dallas. He established a very successful veterinary practice and was fond of recalling that 2 different banks refused to loan him money for his start up.

A gracious, unassuming and forthright individual – he will be missed.

July 11, 2017 PROGRAM NOTES

Fred Badyna hosted Tuesday's meeting at his office. Fred's cohort, George Ferrin, reminded us why Life Insurance is so critical. Thirty percent of U.S. households are underinsured. Life Insurance has many advantages other than just a death payment and its benefits can be utilized during one's lifetime. Fred and George are experts in developing a life insurance plan tailored to one's current and expected future situation.

Fred entertained us with examples of 3 things that are important in his life: Dancing, Golf and Singing.

TUESDAY'S PROGRAM: Daniel Boor, SERVPRO of South Garland
